Jim-- urls for Pavillion and Pavillion site documents are listed below. To-date, 861 documents have been posted. 400 known documents to go. Did you want this info to go to Jewett and O'Hara too- or just the comm strat?

All -- a very rough first draft of a Communications strategy should USGS release their report on Monday next. I took a first shot to reduce the demands on our scientists working on our own report.

Please take a look at your earliest convenience, correct errors, add items, etc.

Paula -- looking for the url for the Pavillion site and a rough count of the documents we have posted.

Could you please share with Jim O'Hara and Dave Jewett? Others?

Thanks

Jim
